

PUBLIC SOURCE NOTES AND EVIDENCE BOUNDARY

This independent candidate campaign is based on the supplied job description and public information reviewed on July 15, 2026. It does not claim access to ARMADA internal plans, data, metrics, architecture, or operating conditions.

ROLE SOURCE

Manager Data Products job posting

<https://recruiting.ultipro.com/ARM1006ARPA/jobBoard/52d9cac6-58d0-401d-a11a-1d09089cd8ee/OpportunityDetail?opportunityId=619975ba-7634-41ce-a107-0a702ebdc30f&source=LinkedIn>

ARMADA PUBLIC SOURCES

- **Company home:** <https://www.armada.net/> - orchestrated supply chain, “intelligence that acts,” data, warehouses, freight, and PRO positioning.
- **Company and history:** <https://www.armada.net/company/> - values, Pittsburgh roots, visibility technology history, PRO launch, acquisitions, and company evolution.
- **PRO Technology:** <https://www.armada.net/solution/pro-technology/> - reliable data, unified platform, AI-powered insight, visibility, proactive action, and faster decisions.
- **Strategic integration:** <https://www.armada.net/armada-sunset-holdings-announces-strategic-integration/> - September 3, 2025 announcement of the 2026 integration of Armada, Sunset, and ATEC under one brand.

EVIDENCE RULES

- Candidate claims are limited to verified career evidence supplied by Russell Dudek.
- No Power BI or Microsoft Fabric production ownership is claimed.
- Company-specific implications about internal demand, definitions, adoption, integration burden, or delivery flow are labeled as hypotheses for discovery.
- Illustrative scenarios and slider values are decision-model examples, not ARMADA facts or benchmarks.
- The ARMADA logo is used only for nominative employer identification and does not imply endorsement.

DESIGN AND BRAND BASIS

The campaign uses ARMADA’s official SVG identity, source-sampled blue, sky, violet, lime, teal, and charcoal recognition colors, and an original Outcome Routing Table derived from the role’s prioritization, delivery, and adoption mandate.
